

Intentions Form

If you have included, or intend to include, the Royal Society in your Will then we would be very grateful if you could let us know by completing this form and returning it to the Development Office in the envelope provided.

Providing us with this information will assist the Society in its long-term financial planning and ensure that we are able to thank you appropriately for your support. The pledge is not binding and does not commit you to any particular course of action but it does provide us with an indication of your intentions. The Society promises to keep your intentions private, never to ask the size of the bequest.
