Bee a DNA Detective

THE BEE TRAIL

Earlham Institute

earlham.ac.uk/the-bee-trail

Can you find which flower your bee visited?

- Take the **DNA pieces** out of the **pollen envelope** and line them up with the **plant DNA** on this sheet
- When you find a match, you've found the flower the bee visited
- **Colour in the plant** your bee visited and **link your bee to it by drawing a line**

Poppy DNA

A T G A C C G T T C A G A A T A C T C A C

Blackberry DNA

C A G C G A A C T A C C A T G T T T T G C

Bluebell DNA

C T G C A G A G T G T T C G C A T A C G C

Colour in the plant your bee visited and link your bee to it by drawing a line.
