

Faraday Discovery Fellowships

Post-doctoral researchers support package

Post-doctoral researchers funded as part of the Faraday Discovery Fellowship can access a range of training and networking activities to support their career development.

Activities are designed to be flexible and relevant for developing your career, but are not mandatory.

TRAINING

- Media skills
- Grant writing
- Introduction to management
- Scientific entrepreneurship

EVENTS AND NETWORKING

- Induction day
- Regional networking meet-ups
- Faraday Discovery Fellowship networking event (from 2027)
