

INVITATION

Summer Science Exhibition Soirée

Wednesday 8 July 2020, 7.30pm – 10pm

SELECTED FOR
THE ROYAL SOCIETY
SUMMER SCIENCE
EXHIBITION 2020

We are pleased to have been selected as an exhibitor at the Royal Society's 2020 Summer Science Exhibition, and are delighted to invite you as our honoured guest to this evening event celebrating cutting-edge science and research from across the UK.

The Summer Science Exhibition is the Royal Society's most prestigious public event of the year, providing a platform for public engagement with science and promoting science education. The Soirée is an invitation-only evening, dating back to 1778 and offers leading figures from across the science community the chance to discover the innovative science on display.

Join us for a drinks reception followed by a sit-down, three-course buffet dinner and exclusive viewing of the exhibition.

The Royal Society

6 – 9 Carlton House Terrace, London SW1Y 5AG

Dress code: Black tie – optional

RSVP

Please RSVP directly to me if you are able to accept this invitation. The Royal Society will then send out further details about the evening in due course.

Kindly note, by accepting this invitation, the Royal Society will be provided with your contact information for use in the management and planning of the event and in line with their [privacy policy](#).
