INTERNATIONAL MOBILITY CAN BENEFIT BOTH SOURCE AND DESTINATION COUNTRIES

**BENEFITS TO THE UK:**
- high quality researchers
- access to mix of skills
- wider supply of well-qualified researchers
- development of international networks

**BENEFITS TO SOURCE COUNTRIES:**
- access to networks and skills
- UK host to many MCSA and to many doctoral students, many of whom will return home with skills, knowledge and networks
- of foreign-born researchers report on-going research collaborations with researchers in their countries of origin

**40%**
